

ABOUT THE AUTHOR

# Wendy Nepute

M.Ed., SPHR

Most recently, Wendy Nepute was the Human Resources System Director for KentuckyOne Health supporting KentuckyOne Medical Group and KentuckyOne Health Partners (Clinically Integrated Network). As of this writing, she is currently consulting part-time to allow her to provide care for a family member's terminal illness.

Wendy transferred to KentuckyOne Health in November 2012 from their parent company, Catholic Health Initiatives where she worked as the Regional HR Operations Director in Erlanger, KY. Prior to CHI, Wendy was the Human Resources Director for the HR Business Partners for Cincinnati Children's Hospital. Her Human Resources background includes working in a variety of roles in different industries including insurance, utilities and health and human services.

Wendy enjoys working in the areas of Executive Coaching, Organizational Development and Leadership Training. Along with having her SPHR designation, she has received certifications in MBTI® (Myers Briggs Type Indicator), Executive Coaching, Project Management, and Change Leadership.

Wendy holds a BBA in Personnel and Industrial Relations from the University of Kentucky, and a M.Ed. in Executive Human Resources Development from Xavier University, Cincinnati. She is married and enjoys spending time with family and friends.
